When considering your nominations for the 2009 All Star team, remember that these players will be representing not only our Region but Ojai itself. While it is important to send our very best, it is also important that we send those who will represent our community in a positive manner. Consider how the player behaves towards his/her fellow teammates, coaches, etc. Will this player be committed and willing to practice and continue playing until February or March? Make sure to choose players with parents who volunteer their time.

Please forward all nominations to ojaiayso@um.att.com or fax 805 646-3539

You can also turn them in @ the information table on Saturday.

Please be very discreet and do not approach any players or parents about the nominations.
